VOL. IX.

PERRYSBURG, O., THURSDAY, JUNE 20, 1861.

NO. 7

DITCHES.

DITCH LETTING,

Notice is hereby given that on Monday, the 24th day of June, 1801, at Milton Centre, I will let to the lowest bidder, in separate sections, the making of A. Waltabam and William M. Wright, defendants. commencing about 40 rods morth of the south-east corner of section 32, town 4 range 9; thence morthon section line to that branch of Beaver Creek which intersects said line; thence down said creek in a north-westerly direction to the west line of the south east quarter of section 32, town 5, range 6, whereat to terminat. The work comprises 102 sections of 20 rods each. Its width on the bottom is as follows: the first 20 sections 2 feet, the next 24 sections 3½ foet and the balance 4 feet on the bottom. The banks to have a slope of 1½ feet to 1 in depth. The cards that a section 3.1½ feet from the slope of the bank, and to be thrown on the side of the county read where it runs along the same. The work to be completed to the acceptance of the county commissioners on or before the lade in Outside State and the balance at feet on the balance of the same and the balance of the county read where it runs along the same. The work to be completed to the acceptance of the county commissioners on or before the lade in Outside State and the balance of the county read where it runs along the same. The work to be completed to the acceptance of the county commissioners on or before the lade in Outside State and the balance is considered which is a same to the same and the balance at feet on the bottom. The banks to have a slope of the bank, and to be thrown on the side of the county read where it runs along the same. The work to be completed to the acceptance of the county commissioners on or before the lade in Outside State and the lade in the advertisement will be a square.

All Transient advertisements inserted with the lade in the decivered and delivered, I will offer for sale at public at the town of Petrysburg.

Case by the Clerk of the Court of County, Ohio, on Or levels and the lade in Orleys filled at short notice, and or levels and delivered, I will offer for sale appoint and the above in the town of Petrysburg.

A believe of t the drain or water-course known as drain number 9 acceptance of the county commissioners on or before the 1st day in October, 1851. Sale to commissee at one o'clock, p. m. Appison Smirit, Auditor.
Auditor's Office, Wood county, O.
Perrysburg, May 15, 1861-3w586 75.

DITCH LETTING.

Notice is hereby given that on Saturday the 29th day of June next at the ten unile house in Webster township, I will let to the lowest bidder, in separate sections, the making of the drain known as drain No. 20; commencing where the Toussaint creek crosses the McCutchonville and Percessong State crosses the McCutchenville and Porrysburg State road, in sec. 1, town 5, range 11 cast; thence down said drain to the county line terminating on road tract number 76 of the Maumee and Western Reserve road lands. The work is separated into two divisions. Division No. 1 comprises that part of said work in Webster twp., consisting of 76 sections of 20 rods each, the width of the bottom to be 12 feet for the first 30 sections, and fourteen feet for the balance. Division No. 2 comprises that part of balance. Division No. 2 comprises that part in Troy twp., consists of 87 sections of 20 rods each, the bottom to have a uniform width of 16 feet. The timber, floodwood and earth to be cleared out 50 feet wide the whole length of drain. Banks to have a slope of 114 feet to 1 in depth. The whole to be completed to the acceptance of the county commissioners by the 1st day of October, 1851, and in necordance with the profile and plat of the engineer in charge of said work. Sale to common o'clock a. m. Addison Smith, Auditor. Auditor's Office, Wood Co., O. Perrysburg, May 23, 1851—87-50.

DITCH LETTING.

Notice is hereby given that on Wednesday, the 3d day of July next, at the brick action house near J Harpels in Lake twp., I will let in separate sections to the lowest bidder, the making of the drain known as drain No. 22; commencing at or near the north-west corner of road tract no. 4 of the Manuer and Western Reserve road lands in the bed of Dry Creek; thence down said creek in a north-easterly direction to the county line, whereat to terminate. The work comprises 176 sections of 20 rods each, and 4 of 40 rods each, with a width on the bottom as follows: from commencement to see, 17, 3 feet from 17 to 40, inclusive, four feet; from 41 to 138, inclusive, six feet; from 138 to end, the timber to be cleared out 50 feet wide. The banks to have a slope of 114 to 1 foot in depth, the earth to be removed 5 feet from the slope of the bank. The work to be completed by the 1st day of October, 1851, in accordance with the plat and profile of the engineer in charge of said work, and to the acceptance of the commissioners. Sale to comm ADDISON SMITH, Auditor, Auditor's Office, Wood county, O.
Perrysburg, May 27, 1801—4w5\$6-75.

DITCH LETTING,

day of June next, at the house of A Mover, in Troy township, I will let, in separate sections, to the lowest bidder, the making of drain number 30, commencing about 129 rods north of the southewest corner of section 9 in said township : thence northcorner of section 9 in said township; thence north-easterly across said section to intersect drain number 8. The work comprises 9 sections of 20 rods each. Width of bottom 4 teet. Bank slopes 1 rise to 1½ base. The carth to be removed at least 5 feet from the banks, and the whole 50 be completed by the 1st day of October next. Sale to commence at one o'clock, p.m. Annison Smith, Auditor, Anditor's Office, Wood county, Ohio, Perrysburg, May 16, 1861—3w 584-59.

Wespens of offense and defence now scutle vessels. The chief secret about

not defended Grafton in Western Virginia. They have retreated without firing a gun. They are also preparing to evacuate Harper's Ferry, which is in an utterly untenable position. Their cause is as good as One month ago, they thought they had Tennessee, Kentucky, Missionri, Virginia and Maryland within their grasp .o-day Maryland and Missouri he at the feet of the North. Kentucky is neutral. Tennessee is being actively canvassed on behalf of the Union, and Western Virginin is formed into a sovereign and almost free S ate. One month ago, the Southern army were prepared to march direct on Washington, and even threatened Pennsylvania and Maryland from Harpu's Ferry. To lay they are content to take up defensive positions deep in the heart of Virginia, and are threatened with destruction by an overwhelming force .-When a revolution does not go forward, it recedes. The retrograde movement from Harper's Ferry will inflict infinite chagrin on Jeff. Davis' army. It will di perse forever their golden dreams of conquest; it will reveal to them that they are about to undertake a weary, defensive warfare, with straitened means, sgainst forces which they cannot cope with on equal terms. When we add that there are hundreds of thou ands in Virginia watching the advance of the U. S. forces with joy, eager to re-establish the power of the Federal Government, we cannot suppose that there will be any great difficulty in accomplishing that work. There given to rifled and breech-loding cannon, may be some fighting before Richmond; but raw Virginian levies, ill armed and worse fed, if they lose heart in retreat and breech-loading, which is believed to will soon disperse to then homes, and the have some positive advantages over other more Southernly rebels will all back on their own Sates. Gen. Scott is a practical to ician, and will dispense with fighting if he can. By skillfully displaying his forces he may compel the submission of ginia during the bot weather; but if that State is conquered, the rest will follow in the fall. The pride of the South may be hurt, but probably a majority of the people will declare, after the war is over, that they were Union men all through, and entirely disapproved of the doings of

A Forgotten Hero. While there is a curious identity of name Letween John Merryman in bonds at Fort McHenry, and the John Merryman imprisoned at Georgetown, S. C., there is as striking a contrast between the charges for which they are confined. The former was incarcerated by the Government of the United S ates, on an allegaion of con-piring for its overthrow; the laster for a fidelity wholly unexpected in a community which had boldly plunged into treason Faithful among the faithless it is proper that the facts in regard to thi South Carolina victim should not be permitted to pass from the public

miod. John Merryman was the Federal Co! lector of the port of Georgetown, S. C., at the time of the passage of the secession ordinance. As a true man, he refused to violate his official oath, or become a party to the general treason. He declined to pay over to the S ate treasury the funds received and held by him in his capacity as a United States officer, or to make returns to the rebel Government. On the contrary, he continued to report regularly to the Washington treas-

He stood upon his faith and duty as on efficer and his rights as a citizen of this Republic ; and for this he was, in in t February, seiz d by a Vigilance Committee, and, without trial, thrown into pri on in Georgetown. And this respectable gentleman, accustomed to the conveviences and elegances of life, remains a prisoner in the common jail. The hot season and the sickly climate of Georgetown will probably shorten the term of his confinement, and save the authorities of the Sate from solving the difficulties of

The cituation of this faithful officer . though natorious for three months past, seems not to have commanded the attention of the Government. If human agencies can restore him to liberty, those agencies should be used to the utmost. His devotion to official duty and loyalty to the Constitution, should not be permitted to be the occasion of his perishing alone and forgotten in prison. [-N. Y. Times.

American Affairs in England. John C. Fremont, who is on official buciness connected with our Government, in Europe, writes from London that he has purchased 10,0.0 Enfield rifles and several b atteries of rifled cannon, part of which he will bring with him. He says that, notwithstanding the tightness of money with the Confederate States, their agenta have succeeded in purchasing two steamers, for which they paid \$350,000 .-These vessels, it app ars, are to sail for a Southern port under a British flug, and registered as property of British owners, carrying nothing contraband of war, but probably as ballast merely. How they will be received by our blockading squad-

ron temains to be seen. -The largest domes ever made will be
